

TODAY AND TIME

Today is here. I will start with a smile and resolve to be agreeable. I will not criticize. I refuse to waste my valuable time.

Today in one thing I know I am equal with all others – Time. All of us draw the same salary in second, minutes and hours.

Today I will not waste my time because the minutes I wasted yesterday are as lost as a vanished thought.

Today I refuse to spend time worrying about what might happen...--it usually doesn't. I am going to spend time making things happen.

Today I am determined to do the things that I should do. I firmly determine to stop doing the things I should not do.

Today I begin by doing and not wasting my time. In one week I will be miles beyond the person I am today.

Today I will not imagine what I would do if things were different. They are not different. I will make success with what material I have.

Today I will stop saying "If I had time"—I know I never will "find time" for anything. If I want time I must make it. Today I will act toward other people as though this might be my last day on earth. I will not wait for tomorrow. Tomorrow never comes.
